DEDICATION

MR. FRITZ VELKE

Composer, Director
Receiver, 1962 Ostwald Award
for Band Composition
"Concertino for Band"

We, the staff of the 1963 HORNET, dedicate this yearbook to you, Fritz Velke, for bringing public recognition to our school for your fine work in the field of music. As Director of Bands at Herndon High School, you have led us to achieve honors and excellent ratings at District IV Music Festivals.

You are a real inspiration to our future musicians, and we are indeed fortunate to have you on our faculty.

FOREWORD

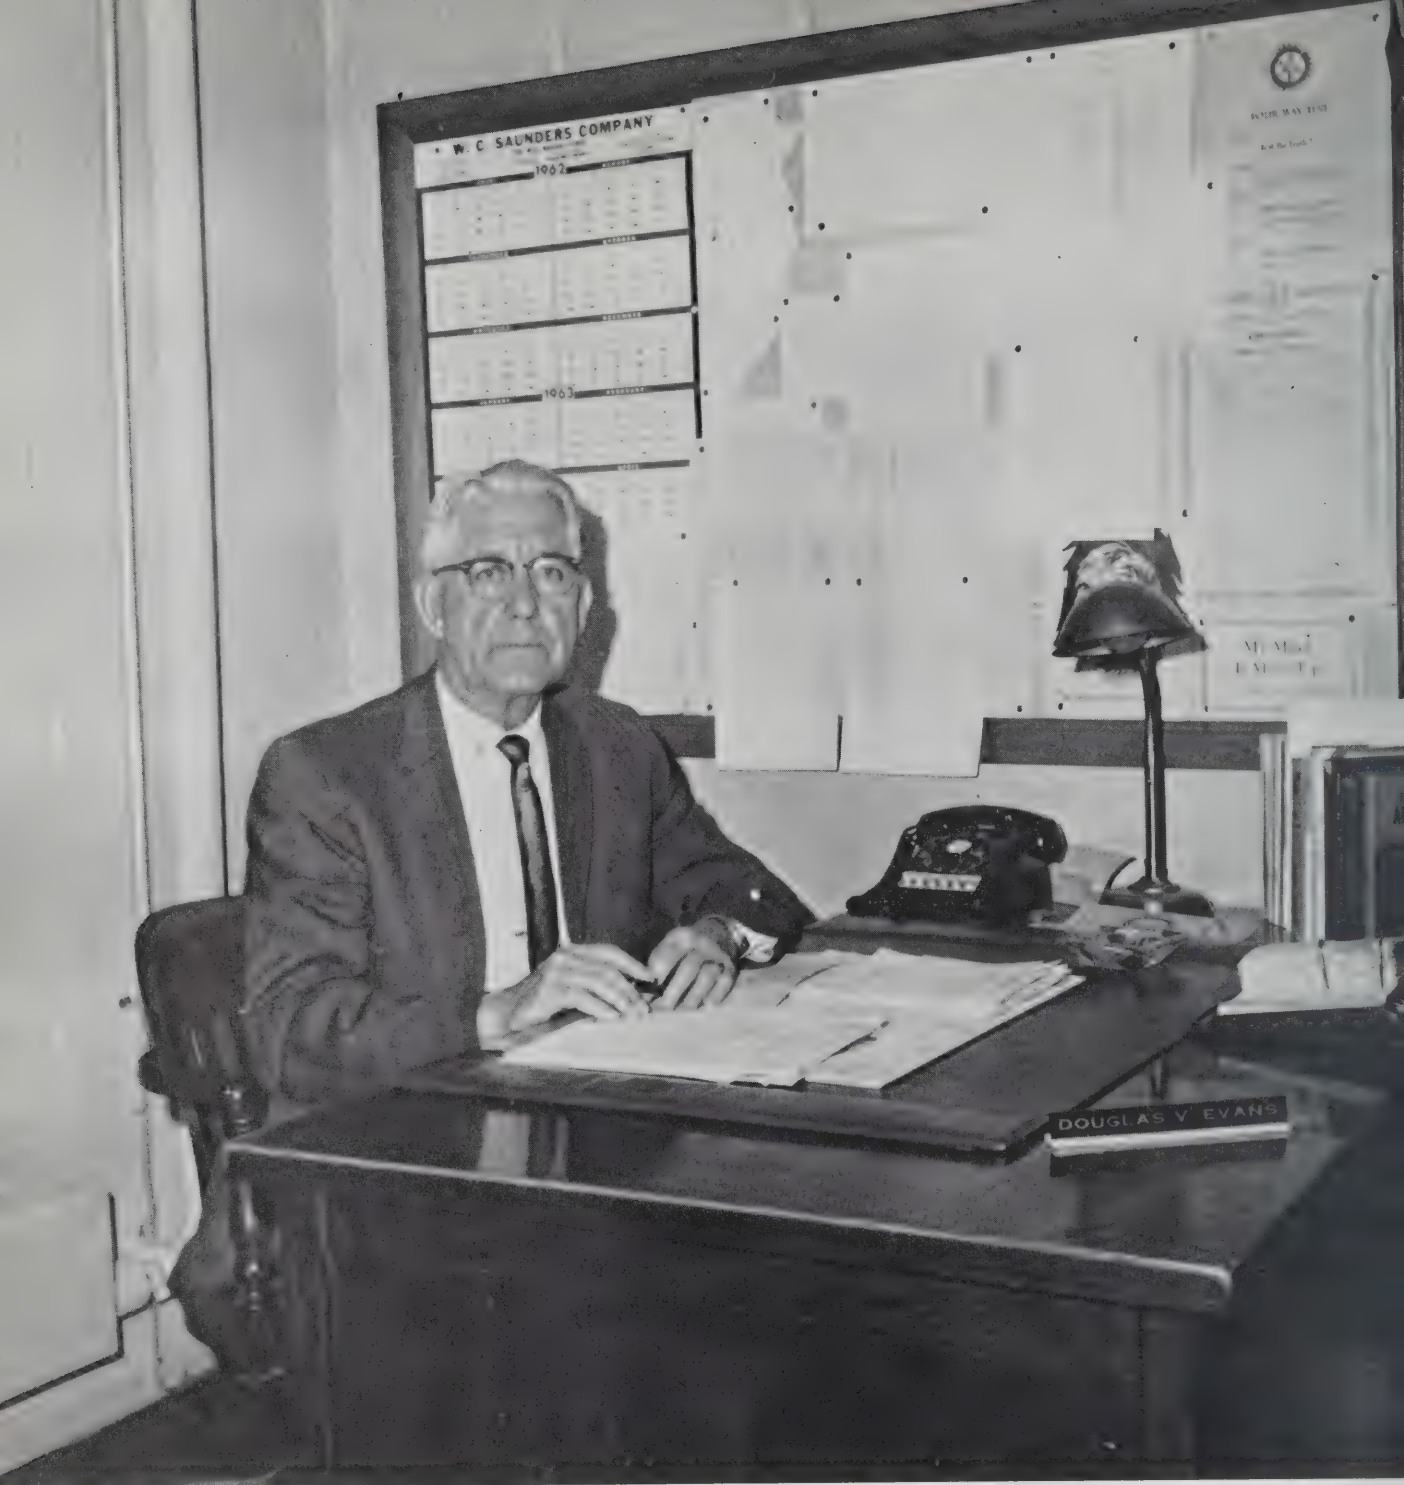

This year, 1962-1963, has witnessed much growth. Expansion began with the building of a jet airport within two miles of our school. The influx of the people moving into the area has caused our school enrollment to double, thus bringing about the new building program at Herndon High School to make room for this explosive growth.

At times, pupils could be heard complaining about hiking out to classes in the old gym, called the "barn," stumbling around in dark corridors, tripping over workmen's tools, and getting hit in the head with bricks. The students must be given credit for adjusting to all the adverse conditions.

What an interesting year! Herndon High School has grown and its students have grown with it. Look in the following pages to recapture this growth.

Do you suddenly get that sinking sensation?

He's got his own still!

I think that's a lot of still!

It isn't really, it's just a still!

See?

A herem?

What a motley looking team!

Oh, all right, you want as well make it!

I didn't do it!

Don't tell a thing!

It got to the old gym, you had to climb over a pile of bricks, just over a pipe,...

The messy scene on the last year.

Let's see you do the pushups!

SWINGIN' HORNETS COMPETE

On January 19, 1963, Herndon High School's dance band, the Swingin' Hornets, competed in the Bands of Tomorrow contest. Ten bands from nearby Maryland and Virginia competed in the contest. The Hornet Band rated in the top half of the competition and received the second highest rating in showmanship. The Swingin' Hornets hope to enter the competition next year and win the trip to Philadelphia.

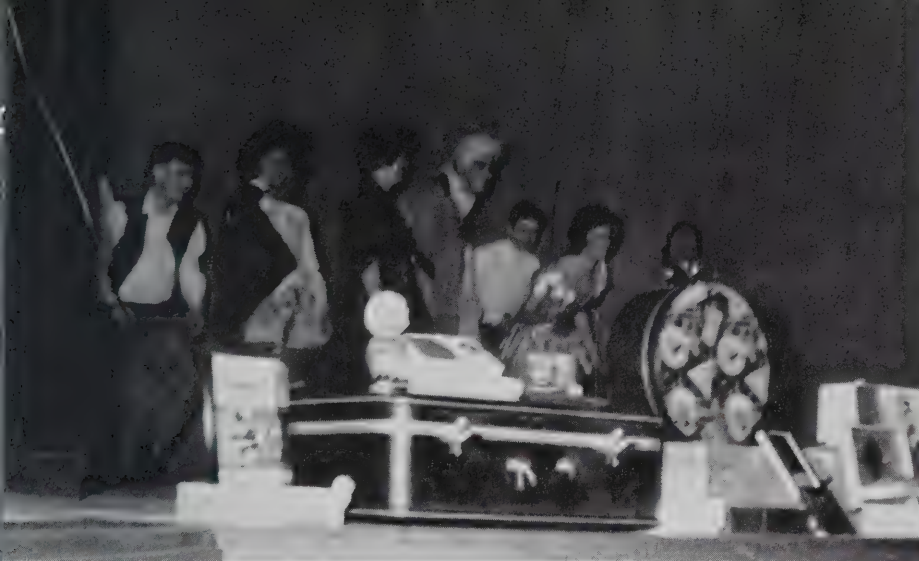

Daniel Sloper, Dick Vitek, and Allen Bacher practice in English class.

"IT'S ACADEMIC"

This year, Herndon High School was invited to send a team of three students to appear on WRC - T.V's "It's Academic." This half-hour show is a battle of knowledge among three high schools. The winning school is presented with a \$50 check for its school.

Three seniors, Dan Sloper, Allen Bacher, and Dick Vitek were chosen to represent H.H.S. on the telecast of February 9. The Dixieland Band, cheerleaders, and about 50 students were there to encourage the boys. The competition was rugged, but the boys made a good showing.

This was Herndon's first appearance on the show, but it is expected that it will return annually.

MAGAZINE DRIVE

The annual magazine drive was kicked off by an assembly Thursday, February 21. Several members of the Dramatics Club presented the skit "Louise." Those on the cast were Louise - Cynthia Johnston, Gladolvia - Kay McClanahan, Frederick - Fred Hoybach, Clarence - Lewis Christian, Alfred - Tom Coryell, Count Monte Carlo - Richard Knight, Lady Monte Carlo - Ann Pearson, Squires - Allen Bacher and Dick Vitek.

The magazine drive, which lasted 10 days, was highly successful. The goal for the high school was \$3,216. The goal for the intermediate school was \$2,274. The high school met 83% of its goal, while the intermediate school met 84% of its goal. The class which exceeded its quota by the largest percentage won \$50. The freshman class met 103% of its goal; the eighth grade, 108%; and the junior class, which received the \$50, 109%.

This year more prizes were made available so as to encourage the sale of magazines. The three high salesmen were Mary Money, who sold \$138.49; Jim Stirewalt, \$104.54; and Bobby Knight, \$102.30. Mr. Whitener's homeroom, a junior homeroom, was the first to exceed its quota. 45 students received Hornet mascots for selling at least three 50% magazines.

The goal of the magazine drive was to collect money to pay for football field lights. Of the \$4,593 of subscriptions sold, approximately \$1,500 will go into the light fund. This will be very helpful in obtaining lights for new football field next year.

"I feel that the magazine drive was very successful this year. It was hard work, but it was fun and well worth the effort. I feel it has improved our school spirit and will help us obtain lights for the football field. I would like to congratulate the students on their success and thank them for their cooperation."

MORE GROWTH

This year the library has been remodeled with the former art department being made into a magazine room, audio-visual room and two conference rooms. The library office has been enlarged to almost twice its former size.

A very important addition this year has been the paperback bookstore in the library. The books represent a wide variety of reading fields and have been very popular among the students. As of March about \$400.00 worth had been sold with the profits being used to buy books and other materials for the library.

The Library Club conducted a book drive to collect books for a school in Nigeria, Africa. Many books were given by students and teachers. This was one of our ways of showing our concern for education overseas.

BACK ROW, 1. to r.: Sally Peck, Sharon Zelaska, Kay McClanahan, John Bovey, Diana Summers, Betsy Bryan, Charlene Butler. FIRST ROW: Ann Pearson, Cathy Davis, Barbara Wolfe, Mark Anderson, Mary Ann James, Frances Mann.

QUILL AND SCROLL

This year, Herndon High School was granted a charter by the National Quill and Scroll Society. This journalistic honor society is sponsored by Mrs. Swetnam, the president is Diana Summers and the secretary-treasurer is Barbara Wolfe.

In order to qualify for membership in this society, a person must be a senior or a junior, must be in the upper one-third of his class, and must have made outstanding contributions to school or outside publications.

The Herndon chapter which consists of thirteen members is to be known as the KATHLEEN G. WHITE Chapter of the Quill and Scroll Society.

WYATT MEETS HARRISON

Donald Wyatt, a member of the junior class, won the state oratorical contest sponsored by the Sons of the American Revolution. He first gave his speech on the subject of "Declaration of Independence-Contract for Sacrifice" before the George Mason Chapter of the S. A. R. on February 15. By winning this contest, he became eligible to enter the state competition which was held at the Jefferson Hotel in Richmond on February 22. Here he again won top honors and the right to go on to the national contests to be held at Lexington, Kentucky, on May 20.
